### Summary of reasons for decision:

This is a short video clip of sexual activity between a man and a young teenage girl, which is intended for adult sexual arousal and gratification. It promotes and supports the exploitation of children or young persons for sexual purposes and as such is deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993. This objectionable classification is a limitation on the right to freedom of expression set out in the New Zealand Bill of Rights Act, but this is consistent with Parliament's intention. The classification is also a reasonable limit on the right to freedom of expression in the interest of protecting children and teenagers from abuse and exploitation.
